Touch gloves for iPhone, smartphone, iPad and Tablet

Product code: TE0UGT1MG

Touch gloves for capacitive touchscreen, Grey color Medium size

The ideal solution to provide useful protection from the cold and work outdoor without any problem with touchscreen phones or tablet: the touch gloves integrates metal fiber to transmit touch controls without taking off the gloves and withstand the biting cold. They are made of wool and fit perfectly in your hands allowing you to easily take advantage of all the features of your smartphone or tablet. Features that you can not use with a normal pair of gloves.

Features:

- metal fiber to enable touch command
- made in whool and acrylic fabric
- it allows touch interaction

Touch gloves for iPhone, smartphone, iPad and Tablet
